Cornea Fellows Educational Summit goes virtual in 2020!

Format and Ground Rules

- This year's summit will be in a "reverse classroom" format.
- Speakers will pre-record their talks
- Fellows will have 2 weeks to watch the prerecorded talks prior to each live faculty Q&A session.
- Talks will be uploaded to the teaching site 2 weeks prior to the live discussion session.
- Each fellow is required to submit one question prior to the live session. They may also submit additional questions during the live session.
- We will have a live session discussing each pre-recorded session.
- Visit corneasociety.org/cornea-fellows-educational-summit to register for the Summit. After registration is received you will receive an email with links to the faculty talks, a page to upload your questions for the faculty, and invitations for the online discussion sessions.
